32/18 Update on Avenbury Church

The Clerk had been to see the gentleman who is cleaning up the church grounds, he noted that good progress was being made.

William, who is doing the work informed council that all the sheds had now been taken down, the scrap was due to be collected in the next 10 days and the he would be looking to reinstating some of the ground to be grassed over. William also produced a letter from Bishop Anthony with regards as to what can be allowed to happen with the grave stones.

Council **instructed** the Clerk to contact the enforcement officer with regards to placing the gate of the land at the Church end.

35/18 Precept Considerations

The clerk informed council the due to the amount of money it now has accrued it would be prudent to look at the possibility of moving the notice board to a more user - friendly place and to look into to cost of a Vehicle Activation Speed Sign (VAS). Council **instructed** the clerk to look into these two items and report back at the next meeting.

36/18 Road Speeds B4124

HCC Cllr Chowns informed council that the road speed data that had been collected showed that 85% of vehicles adhered to the speed limit of 40 while traveling through Munderfield. This being the case it is considered by HCC Highways that there is no further need for traffic enforcement at the present time.

Welsh Water – Cllr Chowns informed council that Matthew Lord from Welsh Water would be happy to come and speak to the parishioners about the current water situation in Avenbury. The Clerk will invite Mr Lord to speak at the next Council meeting on 20th November.
